PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

FAX RECEIVED

DEC 27 2001

Dear Sir:

PETITIONS OFFICE

A Notice of Abandonment was mailed 13 August 2001 for the above referenced patent application. The notice states that the application is abandoned in view of applicants' failure to respond to the office action mailed on 17 January 2001. We now submit a Petition to Withdraw Holding of Abandonment.

This application was filed by the applicant on 17 March 2000. On 27 December 2000 Power of Attorney was given to this office by the inventor and was sent to the Patent Office on 18 January 2001 and received there on 22 January 2001, as can be seen on the attached postcard. On 6 February 2001 Notice Regarding Power of Attorney was mailed by the Patent Office and received at our office on 09 February 2001.

I have searched through the file wrapper of the above-referenced patent application and have not found an Office

Letter as indicated was mailed in the Notice of Abandonment. A copy of the file jacket on which the Office Letter would have been documented for this application is attached, showing that the correspondence was not received. Also attached is a hard copy of docketing sheets from our computerized docketing program, also indicating that the Office Letter was not received for this application. In addition I attach a copy of the Declaration from the inventor regarding non-receipt of the Office Letter.

Applicant has set forth evidence substantiating the fact that the Office Letter was not received at the previous or current correspondence address. The patent application has been mistakenly or improperly abandoned.

In view of the above, applicant respectfully requests that the abandonment of the above referenced patent application be set aside and the Office Letter be issued with a new mailing date.

Respectfully submitted

Robert A. Parsons
